Thursday 28th 4th Aug 18th 1861

Just received a letter from your mother
and enclosing the 4th of Aug 18th 1861 of the post
box of Aug 24th 1861 which she sent.

And the letter has given me some idea of the
state of the mind of the poor old man and the kind of
pain which he has been suffering from. I have
been so busy that I have not had time to write
to you for some time but I am now at home
and I will write to you as soon as I can.

And I am sure you will be glad to hear
that I am now at home and I will write to you
as soon as I can. I have been so busy that I
have not had time to write to you for some
time but I am now at home and I will write
to you as soon as I can. I have been so busy
that I have not had time to write to you for
some time but I am now at home and I will
write to you as soon as I can. I have been
so busy that I have not had time to write to
you for some time but I am now at home and
I will write to you as soon as I can.

And I am sure you will be glad to hear
